### Singing Pedagogy in Spanish and Portuguese

Congratulations to our Board of Directors members, Isabel Villagar and Luciano Simões-Silva, for their active participation in the Pan-European Voice Conference (PEVOC) 2024, held in Santander, Spain, this September. Isabel and Luciano represented the Ibero-American chapter of NATS, engaging in a Roundtable on September 6. They discussed singing pedagogy in Spanish and Portuguese with other international experts.

Kudos to them for their outstanding work at such a prestigious conference!

Sincerely,
